

# Kayendee

## Writing/ Reading Aid

Kayendee were approached by a parent of a visually impaired child who felt that using the reading book stand manufactured from laminated wood, though functional, restricted the user from being part of the classroom as the pupil felt he was alone behind a wooden panel.

### Advantages:-

- \* Pupil is able to see and be seen in the surrounding book/paper outline.
- \* Maintenance free.
- \* Water resistant material.
- \* An incorporated handle for easy use.
- \* Non slip clear neoprene pads.
- \* Easily cleaned
- \* Made from recyclable material.
